An Equal Opportunity Employer

Children & Families

CCR&R provides resources, education and advocacy to support quality child care.

CACFP is a USDA Child Nutrition Program designed to reimburse providers for nutritious meals served to children or adults in a child care environment.

FaDSS is a voluntary program that provides in-home support to families in order for them to gain independence from public assistance.

Head Start is a FREE preschool for children ages 3 & 4. It provides children with activities that help them grow mentally, socially, emotionally & physically.

Early Head Start is a FREE federally funded program designed to serve expectant families and families with children birth to three.

Child Development Center offers FREE child development program similar to Head Start for children ages 3-4 in Hawarden.

Health & Nutrition

Women, Infants & Children is a Special Supplemental Nutrition Program for women, infants, and children under the age of 5. WIC helps families by providing healthy foods, nutrition education, and referrals to other health care agencies.

Child Health Program provides financial assistance for uninsured or under-insured children needing medical & dental care.

Maternal Health encourages early, regular & comprehensive prenatal health care to improve the chances of having a healthy baby.

hawk-i is a program for uninsured children that provides no-cost or low-cost health care coverage to children in working families.

I-Smile is designed to ensure dental access to all children regardless of insurance coverage.

Energy Services

Crisis Funds pay a portion of rent, utilities, food & other bills to help families out in a crisis situation.

Low-Income Home Energy Assistance assists families with heating costs by paying a portion of their utility bill. It is not intended to pay a household's total energy costs.

Weatherization makes energy efficient repairs to homes by providing comfort while saving on utility costs.
